

LOCAL BREVITIES.

On Friday of last week, while Mrs. J. Backman was canning peaches, one of the cans exploded, and the contents struck her in the face, severely burning her. For a time it was thought she might lose her eyesight, but fortunately, although badly burned, her eyes were not injured permanently. The cause of the explosion was due to the overheating of the tin fruit can after partial sealing.

After thirty-seven ballots for sheriff the Yavapai county Democrats nominated M. J. Hickey for sheriff, J. D. Hooker withdrawing in favor of Hickey. The convention was in session from Saturday until Wednesday trying to decide whether it should be Hobbs, Hickey or Hooker for sheriff. The thirty-sixth ballot stood: Hickey, 47; Hobbs, 34; Hooker, 28; Jolly, 15. The ballot which decided the contest stood: Hickey, 69; Hobbs, 54.

W. T. McCreight, business manager and city editor of the Albuquerque Citizen, and wife and sister, Mrs. H. W. Hendricks, and son Hyde, were passengers on No. 1 Wednesday, on their way to spend the week at the Grand Canyon. Mr. McCreight, while he is out for pleasure, is doing some advertising for the Albuquerque fair, which he says will be the most attractive fair ever held in New Mexico, and it is expected a large crowd will attend.

Probate Judge F. C. Reid, ex-officio superintendent of public schools, held a teachers' examination Monday and Tuesday in the courtroom. There were four applicants for certificates—David D. Rust of Provo, Utah, who will be principal of the Fredonia school; H. W. Judd, who expects to be the assistant of the Fredonia school, and a resident of that place; Miss May Rogers of Los Angeles, Cal., and G. W. Pilchard of Pomeroy, Ohio, and principal of the Williams school.

Henry Gates, special deputy of the supreme lodge, A. O. U. W., is in town. Mr. Gates is here for the purpose of adding new members to that popular and numerically strong fraternal society. During the past year he has devoted his energies to the upbuilding of the order in this jurisdiction and has added over eleven hundred members to the roster of the various lodges in this jurisdiction. During his stay here he expects to largely increase the membership of Flagstaff Lodge, No. 13.

The Journal-Miner of Tuesday says: Death is always a sad occurrence, but in some instances it seems to be attended with greater features of sadness than others. Such a one occurred yesterday morning in the demise of Mrs. E. J. F. Horne. Their little baby, born on Sunday evening, is also dead. Mr. Horne has the sympathy of the community in his affliction. During recent years Mr. Horne has been called upon to suffer more afflictions in the loss of dear ones than ordinarily falls to the lot of a human being during the same period of time. The funeral will take place to-morrow at 10 o'clock from the Catholic church.

A Sad Disappointment.

Ineffective liver medicine is a disappointment, but you don't want to purge, strain and break the glands of the stomach and bowels. DeWitt's Little Early Risers never disappoint. They cleanse the system of all poison and putrid matter and do it so gently that one enjoys the pleasant effects. They are a tonic to the liver. Cure biliousness, torpid liver and prevent fever. W. H. Timerhoff.

Water Cure for Chronic Constipation.

Take two cups of hot water half an hour before each meal and just before going to bed, also a drink of water, hot or cold, about two hours after each meal. Take lots of out-door exercise—walk, ride, drive. Make a regular habit of this, and in many cases chronic constipation may be cured without the use of any medicine. When a purgative is required take something mild and gentle like Chamberlain's Stomach and Liver Tablets. For sale by Pioneer Drug Store.

There can be no good excuse for people staying in Chicago with rate of \$33 to the coast. See Santa Fe agent about it.

Devoured by Worms.

Children often cry, not from pain, but from hunger, although fed abundantly. The entire trouble arises from inanition; their food is not assimilated, but devoured by worms. A few doses of White's Cream Vermifuge will cause them to cease crying and begin to thrive at once, very much to the surprise and joy of the mother. 25c at the Pioneer Drug Store.

For rates, tickets and information regarding low rate from the East see Santa Fe agent.

I have had occasion to use your Black-Draught Stock and Poultry Medicine and am pleased to say that I never used anything so stock that gave half as good satisfaction. I heartily recommend it to all owners of stock.

J. B. BELSHER, St. Louis, Mo.

Sick stock or poultry should not eat cheap stock food any more than sick persons should expect to be cared by food. When your stock and poultry are sick give them medicine. Don't stuff them with worthless stock foods. Unload the bowels and stir up the torpid liver and the animal will be cured, if it be possible to cure it. Black-Draught Stock and Poultry Medicine unloads the bowels and stirs up the torpid liver. It cures every malady of stock if taken in time. Secure a 25-cent can of Black-Draught Stock and Poultry Medicine and it will pay for itself ten times over. Horses work better. Cows give more milk. Hogs gain flesh. And hens lay more eggs. It solves the problem of making as much blood, flesh and energy as possible out of the smallest amount of food consumed. Buy a can from your dealer.

NEW BRANDS APPLIED FOR.

The following brands and earmarks have been offered for record with the Live Stock Sanitary Board and are herewith advertised in order that cattlemen may be given an opportunity to protest against any that in their opinion conflicts with any existing irons.

This list will appear twice in this paper, and all applications will be withheld from record for 10 days after second publication. All communications to be addressed,
